Course Information:-

Both traditional and contemporary designs will be covered, and the course looks at different techniques of arranging flowers and manipulating foliage, together with the inclusion of unusual non-flower materials to make your arrangements stand out from the crowd! Latest styles and trends will be studied, and students will be encouraged to experiment with new ideas and to explore their own creativity, as well as being able to watch demonstrations by the tutor. Floral designs are demonstrated each week for students to make the following week.

Materials/Equipment required for the first lesson:-

For the first lesson, only a notebook and pen and plenty of enthusiasm will be required!

Additional Costs for Materials/Equipment

Students will need to bring their own flowers, foliage, containers and sundries such as floral foam each week. A good pair of flower scissors will also be necessary. The cost of flowers will vary depending on the season and what design is being made, but expect to pay around £10/ £12 per week.

I enclose a cheque for £90 made payable to C E Harten. To enrol, please return this form to Chrissie Harten, 68 Barlich Way, Lodge Park, Redditch, B98 7JP
If the course does not run, your enrolment fee will be refunded in full.

I understand that I am attending the classes at my own risk, and refunds will only be made in exceptional circumstances.
